**Subject: Sponsor the RCLF Upscale Pub Crawl for Banned Books Week on September 21, 2022**

The Redwood City Library Foundation has a 24-year history of partnering with the Redwood City Public Library by funding bold initiatives and ensuring equity in programming. Donations to the Foundation support library initiatives like the recently opened Makerspace in the Library, while also keeping the Bridging the Digital Divide, Career Online High School, and Traveling Storytime initiatives thriving!

In recognition of Banned Books Week, the Foundation is holding an Upscale Pub Crawl on Wednesday, Sept. 21, 2022 from 5:00 to 8:00 p.m. In 1922, there were speakeasies - pubs had to quietly let people know where they could share a drink. In 2022, we are making sure libraries don't become speakeasies for banned books! Participants will check in at the library and receive a wristband and a lanyard with a program and map of participating local pubs, entitling them to discounts on featured beverages. These pubs include LV Mar, City Pub, Alhambra, CRU, The Hub, and many others.

Your generous support of this event will help underwrite the cost of the event and make more funds available to keep vital library initiatives a reality for our local community!

As a Sponsor, you will receive your name on event T-shirts and on posters at each pub, name and logo on the lanyard map and program and on the RCFL website, and recognition in the RCLF newsletter, plus:

- \$250 level: 1 admittance ticket
- \$500 level: 2 admittance tickets
- \$1,000 level: 4 admittance tickets
- \$1,500 level: 8 admittance tickets

We would love for you to partner with us for this event to support library programs while raising awareness about banned books. To ensure your name is printed on the T-shirts, please respond by September 1. For more information or to sign up as a sponsor, contact Carla Sillin at [carlaannsillin@gmail.com](mailto:carlaannsillin@gmail.com)

Thank you for your consideration.  
Sincerely,

Carla Sillin  
RCLF Board Member & Treasurer
